

# Pray (Testify To Love Album Version new Track)

## Avalon

Another day just the same  
Another night, still no change  
Caught in the middle of  
Where I am and where I should be  
Inside I whisper Your name  
Outside I barely maintain  
Without Your strength in my life  
I'm a lost soul, Lord, please send Your...Rain  
Wash away the  
Pain  
Take away the  
Blame  
I'm callin' out Your name[CHORUS:]  
Lord, I pray  
Help me find a way  
Way back to You  
I'm on my knees beggin' You please  
Every time I stumble  
Lord, I pray  
Help me find a way  
Way back to You  
You sacrificed, paid with Your life  
Gave me the right  
Lord, I prayVERSE (2)  
I know I'm weak and You are strong  
You give me faith to hold on  
Lord, help me see that I'm stronger  
When I'm down on my knees  
'Cause that's where the power begins  
Your boundless strength has no end  
No matter what comes my way  
I'll just persevere if I just...Pray  
It's the strength You give me  
Pray  
It comes so freely  
Pray  
I'm callin' out Your name, so...[BRIDGE:]  
Down on my knees I find You  
Leavin' this world behind, and You

Always hear me when I  
Need some answers, and I  
Just can't seem to make it through  
And I'm not sure what I should do  
That's when I close my eyes  
And, Lord, I pray
