# Small Town

## Pearl Jam

I seem to recognize your face
Haunting, familar yet, I cant seem to place it
Cannot find the candle of thought to light your name
Lifetimes are catchin up with me

All these changes takin place, I wish I'd seen the place
But no ones ever taken me
Hearts and thoughts they fade, fade away
Hearts and thoughts they fade, fade away

I swear I recognize your breath
Memories, like fingerprints, are slowly raising
Me, you wouldnt recall, for I'm not my former
Its hard when you're stuck upon the shelf

I changed but not changin at all, small town predicts my fate
Perhaps that's what no one wants to see
I just wanna scream, hello
My god, its been so long, never dreamed you'd return
But now here you are and here I am
Hearts and thoughts they fade away
Hearts and thoughts they fade, fade away
Hearts and thoughts they fade, fade away
Hearts and thoughts they fade, far away
Hearts and thoughts they fade, fade away
Hearts and thoughts they fade, fade away
