

# Friend Of Mine

## Lily Allen

I don't want us to have a fight  
But in the background I can hear you chatting  
I hear it every night  
And you think you're being really cool  
And you've been doing it since we were both at school  
Now who looks like a fool?  
You're no friend of mine girl  
And I've known it for a while girl  
You're just a waste of time girl  
Why don't you have another line girl?  
Tell me what did you expect?  
Have you got no self-respect?  
Reputation to protect?  
Soon you'll be a nervous wreck  
Tell me what did you expect?  
Have you got no self-respect?  
Reputation to protect?  
Soon you'll be a nervous wreck  
What happened to the good old days?  
I was kind of hoping this was all a stupid phase  
Who are you anyway?  
I know you've heard this all before

I know some people who are calling you a whore  
Don't know you anymore  
You're no friend of mine girl  
And I've known it for a while girl  
You're just a waste of time girl  
Why don't you have another line girl?  
Tell me what did you expect?  
Have you got no self-respect?  
Reputation to protect?  
Soon you'll be a nervous wreck  
Tell me what did you expect?  
Have you got no self-respect?  
Reputation to protect?  
Soon you'll be a nervous wreck  
Tell me what did you expect?  
Have you got no self-respect?

Reputation to protect?  
Soon you'll be a nervous wreck  
Tell me what did you expect?  
Have you got no self-respect?  
Reputation to protect?  
Soon you'll be a nervous wreck
