Dear Wally, I'm writing this letter sincerely
To tell you you're the sweetest boy I've ever known
Remember that USO when we met you almost didn't go
Well, me and your two sons are very glad you didWhen your eyes found me I could hardly breathe
I wanted you, glad you wanted meI never stopped falling in love with you Wally
From the first day I saw you, I was sailor-bound, I just knew
You had me, I was yours, we danced out on the floor
And with each passing day I only loved you moreThat night was pure magic, who would have imagined
It would become 55 loving wonderful years
Your job was not all easy those last years I could hardly speak
But when I looked at you I knew nothing had changedAnd when I was leaving, I could feel you hurting
But then I saw those angels and I knew your love would want this for meI never stopped falling in love with you Wally
From the first day I saw you, I was sailor-bound, I just knew
You had me, I was yours, we danced out on the floor
And with each passing day I only loved you more
More, more, more, more, moreSo while you're waiting, know that I'm saying I love you
I love youI never stopped falling in love with you Wally
From the first day I saw you, I was sailor-bound, I just knew
You had me, I was yours, we danced out on the floor
And with each passing day I only loved youYou had me, I was yours, we danced out on the floor
And with each passing day I only loved you moreDear Wally
