Life & Soul

The Sundays

Here dive below
Here I go
We're on the shore
Down by the sea
Here I goWater under's cool
We're the life and soul
Here by the sea
We're going to be
Here I goAll my sea, all my blue
All my sea, all my blue
All my sea, all my blue
So my sea, so my blue
All my sea, all my blue
So my sea, all my blue
