

Oceans, Pt. II (Gladkill Remix)

Crywolf & Ianborg

I feel you coming on, coming into me
Like a flood, like a breath, like a remedy
Your touch consumes my mind
I'm drowning in your eyes, I'm drowning in your eyes
You're my flame, you're my drug
I know you realize
This was meant to be I'm in your oceans Deep in your oceans
You're taking the air out of my chest
You're coming strong, we're running thin
I taste desire in your breath
It's a bright light at the end of the world
You're a hot fire, and your presence is heard
