Drown Within

Ulcerate

Evoke the lifesblood of man
The virus we have become
Shedding the skin and bone
Of this species, dead and jadedIn my callous nature
All pity is buried
Flaunt your feigned empathy
ForgottenI cannot breathe amongst this affliction
Ever more oppressed
Tear away the leeches
And with them, we'll bleed
Strip bare the land, defraud
Or drown within foreverThe dust settles on barren dirt
In our chains, we decay
Bound by deceit
The mortal consumed
Beyond death
We are lifelessThe axiom of being
Infinite
