

# Too Fast for a U-Turn

Lit

I've got a problem  
I've got a big one  
I've got my bloodshot eyes on you  
I've got the answer  
I've got solutions  
I want another shot and I want you  
Oh no, I know I should go  
But it feels so good now  
I've gotta get to you  
I've gotta get to you  
I've gotta get to you  
I've got my vices  
Know what the price is  
It ain't right but it's alright now  
I've got a problem  
Hey, what's your problem?  
Let's keep it up 'til we both come back down  
Oh yeah, I know it's so bad  
But it feels so good now  
I've gotta get to you  
I've gotta get to you  
I've gotta get to you  
Going too fast for a U-turn  
Much too fast for a U-turn  
Oh no, I know, I should go  
But it feels so good now  
I've gotta get to you  
I've gotta get to you  
I've gotta get to you  
I've gotta get to you  
I've gotta get to you  
I've gotta get to you  
I've gotta get to you
