Get up, Shut up

Crash Romeo

I've been here waiting for the liars
I see them everyday
I've been here waiting for the moment to
Take their breath awayIt may be my imagination
I don't think I'm okay
Maximum dose of medication
To take this all awayOh, oh, oh, oh, oh, oh
Take this all away
Oh, oh, oh, oh, oh, oh
So you can hear me sayGet up, shut up, get the fuck right out of here
We'll say it, tonight is the last time
Get up, shut up, get the fuck right out of here
We'll say it, tonight is the last timeI've been here waiting for the answers
To make sense of all this
One death, one last breathe left for romance
And I'll seal it with a kissOh, oh, oh, oh, oh, oh
Seal it with a kiss
Oh, oh, oh, oh, oh, oh
You know I never missGet up, shut up, get the fuck right out of here
We'll say tonight is the last time
Get up, shut up, get the fuck right out of here
And we'll say tonight is the last timeAnd all we got
Is this time to rot
And all we got
Is this time to rot
And all we got
Is this time to rotAnd all we got
Is this time to rot
With you
(With you)
With youGet up, shut up, get the fuck right out of here
We'll say tonight is the last time
Get up, shut up, get the fuck right out of here
We'll say tonight is the last timeI've been here waiting for the liars
To take my breathe away
