

# Shame on Me

Avicii

Shame on me for loving you  
Can't deny that you've been untrue  
You lie so sweet but you love to tease  
Putting out the fire with gasoline  
Woah, yeah! I'm baptized and born again  
You can go to hell with your fucked-up friends  
Crazy little bitch in the first degree  
Shame on you for loving me.  
Yeah, woah... Oh my my!  
(That's what I get for loving you)  
Lie, lie, lie!  
(You know I can't live without you)  
Why, why, why?  
(And all the things you put me through)  
Cry, cry, cry!  
(Cause I'll get my kicks without you) I could not live without you  
I could not live without you  
I could not live without you  
I could not live without you Shame on me for loving you  
Can't deny that you've been untrue  
Lie so sweet but you love to tease  
Putting out fires with the gasoline Are you baptized and you born again?  
I'm a raise hell for the bitter end  
I'm a crazy little bitch in the first degree  
Shame on you for loving me. Oh my my!  
(That's what I get for loving you)  
Lie, lie, lie!  
(You know I can't live without you)  
Why, why, why?  
(And all the things you put me through)  
Cry, cry, cry!  
(Cause I'll get my kicks without you) That's what I get for loving you
