With a Little Help from My Friends

Joe Anderson & Jim Sturgess

What would you do if I sang outta tune?
Would you stand up and walk out on me?
Lend me your ears and i'll sing you a song
And i'll try not to sing outta key
O, I get by with a little help from my friendsHe gets high with a little help from his friendsO, I'm gonna try with a little help from my friends
What do I do when my love is awayDoes it worry you to be aloneHow do I feel by the end of the dayAre you sad because your on your ownI get by with a little help from my friends
Yea, I get high with a little help from my friends
O, I'm gonna try with a little help from my friends
Do you need anybody?I need somebody to loveCould it be anybody?I want somebody to loveWould you believe in a love at first sightYa I'm certain that it happens all the timeWhat do you see when you turn out the lights?I can't tell ya but I know its mineO, I get by with a little help from my friends
Mmm, I get high with a little help from my friends
O, I'm gonna try with a little help from my friendsDo you need anybody?I need someone to loveCould it be anybody
Oooh, Oooh!
By with a little help from my friends
High with a little help from my friends
Try with a little help from my friends
By with a little help from my friendsI get by with a little help from my friends
with a little help from my.Friends...
