The Edge Of Life

Sylver

Never took this road before
Never wanted to show you more
I kept my dreams all locked inside
I only wanted a place to hideLife's too short, so don't ignore
The clues you get at night
Life's too short, so you got to keep on
Living on the edge of lifeLife's too short, so don't ignore
The clues you get at night
Life's too short, so you got to keep on
Living on the edge of lifeLife ain't always what it seems
You should hold on to your dreams
They lift a corner of the veil
It's up to you to make 'em realOh, life's too short, so don't ignore
The clues you get at night
Life's too short, so you got to keep on
Living on the edge of lifeLife's too short, so don't ignore
The clues you get at night
Life's too short, so you got to keep on
Living on the edge of life, ah, yeahAnd when the time has come
That you've made up your mind
You'll see that's it worth the tryLife's too short, so don't ignore
The clues you get at night
Life's too short, so you got to keep on
Living on the edge of lifeLife's too short, so don't ignore
The clues you get at night
Life's too short, so you got to keep on
Living on the edge of lifeLife's too short, so don't ignore
The clues you get at night
Life's too short, so you got to keep on
Living on the edge of lifeLife's too short, so don't ignore
The clues you get at night
Life's too short, so you got to keep on
Living on the edge of life, ah, yeah
Keep on living on the edge of life, ah, yeah
