American Woman

Muddy Magnolias

Bringin' the bacon and I put it in a pan
Got my own, baby life is grand
Every move I make is just a part of my plan
And I do it just because you said I can't

Do I look like the step in --------- type
I'm a whole lotta grown ass American woman
Do I look like, the walk all over me type
I'm a whole lotta strong ass American woman

I know my worth and who I am
Mr if you're ------ up I could spare a few grand
Hell freeze over and I'll be dammned
So I take ----------

Do I look like the step in ------ type
I'm a whole lotta grown ass American woman
Do I look like, the walk all over me type
I'm a whole lotta strong ass American woman

I'm a whole lotta- Show stopper, Missisippi, New York City
You better treat me proper
I'm a whole lotta- You gotta recognize a real ass woman
If you can't, don't bother
I'm a whole lotta- Show stopper, Missisippi, New York City
You better treat me proper
I'm a whole lotta- You gotta recognize a real ass woman
If you can't, don't bother

So ----------
Sing along's with the Children
Reach out with something to prove

Don't let them put you in a corner
'Cause it's a new world order
You're a star ----------
Because you're looking like a flag on the fourth of July
Lookin' like a flag on the fourth of July!

I'm a whole lotta- Show stopper, Missisippi, New York City

You better treat me proper
I'm a whole lotta- You gotta recognize a real ass woman
If you can't, don't bother
I'm a whole lotta- Show stopper, Missisippi, New York City
You better treat me proper
I'm a whole lotta- You gotta recognize a real ass woman
If you can't, don't bother

I'm a whole lotta grown ass American woman.
