New Beginning, Time is come for it now
There's a future, For the children without
(Nuestro Mundo, Nuestro Mundo)
We Won't take no for an answer
We will restore all the laughter

Breathing love into everyone

Dawning of a brand new day
New Beginning is on it's way

In this new world, all the children are one
(Nuestro Mundo, Nuestro Mundo)
We won't take no for an answer
We will restore all the laughter

Breathing love into everyone

Dawning of a brand new day
New Beginning is on it's way
