

Drown Them Out

Viva Voce

I had a lot to learn
But not a lot to go on and it's all
This is all I can do, this is all I can do
It's alright

Gray, gray is the color when I go outside
And the rain won't stop until the Fourth of July
They can try but it's drowning them out
And they can't, can't stop me now

Can't stop me now
Can't stop me now

Soft, soft is the sound of the voice that's true
All at once keep them coming they don't know what to do
They can try but it's drowning them out
And they can't, can't stop me now
