Shadows On The Wall

Moody Blues

When the fantasy we live in
Lies in pieces on the ground
And there is no false illusion
That can turn your heart aroundNothing can change the way I feel
Nothing can take your love from me
If only I didn't worry
If only I could see, if only I could seeChasing shadows on the wall
Chasing shadows as they dance on the floor
Chasing dreams that were forever young
Now I'm on my own
Chasing shadows on the wall
Shadows on the wallOn the sea of mediocrity
Drifting from a distant shore
No goodbye, no celebration
No one there to close the doorOnly the silence that I feel
Only the lonely road is real
If only I didn't lose you
If only we could be, if only we could beChasing shadows on the wall
Chasing shadows as they dance on the floor
Chasing dreams that were forever young
Now I'm on my own
Chasing shadows on the wall
Shadows on the wallChasing shadows on the wall
Chasing shadows as they start to fall
Chasing dreams that were forever young
Chasing shadows on the wallChasing shadows on the wall
Chasing shadows as they dance on the floor
Chasing shadows
Chasing shadows on the wallChasing shadows
Chasing shadows as they start to fall
Chasing shadows on the wall
