

Always Crashing in the Same Car

Gang Colours

Every chance
Every chance that I take
An' take it on the road
Those kilometers
And the red lights
I was always looking left an' right Oh, but I'm always crashing in the same car Jasmine
I saw you peeping
As I pushed my foot down to the floor
I was just goin' round an' round
The hotel garage
Must have been touching close to ninety-four Oh, but I'm always crashing in the same car Ooh, yea yea yea yea
