Pass the Cup

Aswad

Oh I said it's just a little cup
So won't you come on up and take a sip
Good for your brethren
Its going to be good for your sisters loo
And yes my friend I know that it's not hard to see
0h what's good for you is oh so good for me, come on and
Pass the cup and let the cultural vibe flow through your mind
Pass the cup in and around the nerve and spine
Pass the cup from one to another
Pass the cup elevate your mind now
0h I said it 's just a little world
Full up of man and women boys and girls
Check for your brethren
I want you to check for your sisters too
And yes my friend I know it's not hard to see
What's good for you is oh so good for me
Pass the cup
You pass the cup and let the cultural vibe flow through your mind
Pass the cup in and out your nerve system and your spine
Pass the cup you let it touch your very very soul
Pass the cup
I beg you pass the cup around from one to another
