Somebody

Bonnie Mckee

I sit alone, a dark theater,
Watching the people arrive hand in hand, everybody but me.
Oh...
I stay behind, watching the credits roll by.
Roll, roll, roll right by me.

Well I know, I won't cry cause there is somebody, somebody,
Somebody waiting for me out in the rain.
I won't cry, not tonight,
Cause there is somebody waiting for me.
Ohhhhh yeahhh.

I take a walk,
The streets are busy tonight,
And I'm searching for you,
Waiting to brush your shoulder.
When I'm alone,
I watch the faces roll by. Roll, roll, roll right by me.

Well I know, I won't cry cause there is somebody, somebody,
Somebody waiting for me, out in the rain.
I won't cry, not tonight,
Cause there is somebody waiting for me.

How many words will go unspoken?
Ohh.
'Til I hear knocking on my door?
I need some talking the nights I spent heartbroken.
But tonight I know,
I won't cry no more.
Ohhhh.

I lie awake.
I left the porch light on.
I hope it helps you to find your way.

Outside
I hear the thunder roll by. Roll, roll, roll right by me.

I know, I won't cry cause there is somebody, somebody,

Somebody waiting for me, out in the rain.
Not gonna cry tonight
No
Cause there is somebody waiting for me.
Not gonna cry tonight
No no no no no no no
Oh yeah
Oh ohhhh, not gonna cry,
Not tonight
Cause there is somebody waiting for me.
I stay behind watching the credits roll by.
Roll, roll, roll right by me.
