Heavy (One More Light Live)

LINKIN PARK

I don't like my mind right now
Stacking up problems that are so unnecessary
Wish that I could slow things down
I wanna let go, but there's comfort in the panicAnd I drive myself crazy
Thinking everything's about me
Yeah, I drive myself crazy
'Cause I can't escape the gravityI'm holding on
Why is everything so heavy?
Holding on
To so much more than I can carryI keep dragging around what's bringing me down
If I just let go, I'd be set free
Holding on
Why is everything so heavy?
You say that I'm paranoid
But I'm pretty sure the world is out to get me
It's not like I make the choice
To let my mind stay so fucking messyI know I'm not the center of the universe
But you keep spinning 'round me just the same
I know I'm not the center of the universe
But you keep spinning 'round me just the sameI'm holding on
Why is everything so heavy?
Holding on
To so much more than I can carryI keep dragging around what's bringing me down
If I just let go, I'd be set free
Holding on
Why is everything so heavy?
I know I'm not the center of the universe
But you keep spinning 'round me just the same
I know I'm not the center of the universe
But you keep spinning 'round me just the sameAnd I drive myself crazy
Thinking everything's about meHolding on
Why is everything so heavy?
Holding on
To so much more than I can carryI keep dragging around what's bringing me down
If I just let go, I'd be set free
Holding on
Why is everything so heavy?Why is everything so heavy?
Why is everything so heavy?
