Super-Clean

Pitchshifter

If we were sanitised before your eyes super-cleanwould you remember when I said they're gonna getcha??Sooner later one way or another.So let go, I said so.Our time to shine nothing's gonna stop us.If you sit tight, we alright.High times to climb - you know nothing's gonna stop us now.Do you remember when I said I'm gonna get mine??
Well this time we're taking sides gonna finish our final scenesInnovate/imitate oh what's the difference.So let go, I said so.Our time to shine nothing's gonna stop us.If you sit tight, we alright.
High times to climb - you know nothing's gonna stop us now.And it's the appreciation of imitations so it seemsDo you remember when I said they're gonna save us??Yes Sir, well I tried, it's now or never.So let go, I said so.
Our time to shine nothing's gonna stop us.If you sit tight, we alright.High times to climb - you know nothing's gonna stop us now.
