

# Super-Clean

## Pitchshifter

If we were sanitised before your eyes super-clean would you remember when I said they're gonna getcha?? Sooner later one way or another. So let go, I said so. Our time to shine nothing's gonna stop us. If you sit tight, we alright. High times to climb - you know nothing's gonna stop us now. Do you remember when I said I'm gonna get mine??

Well this time we're taking sides gonna finish our final scenes Innovate/imitate oh what's the difference. So let go, I said so. Our time to shine nothing's gonna stop us. If you sit tight, we alright.

High times to climb - you know nothing's gonna stop us now. And it's the appreciation of imitations so it seems Do you remember when I said they're gonna save us?? Yes Sir, well I tried, it's now or never. So let go, I said so.

Our time to shine nothing's gonna stop us. If you sit tight, we alright. High times to climb - you know nothing's gonna stop us now.
