She's falling in, but I said it's okay,
I'm falling in, but she said it's okay,
When we fall in, don't wait for it, okay,
But they fall in, they wait for it, okay.Aaah, aaah.
Aaah, aaah.She's falling in, but I said it's okay,
I'm falling in, but she said it's okay,
When we fall in, don't wait for it, okay,
But they fall in, they wait for it, okay.Desperate we get.
I'll walk alone, alone.
In a desperate thing to stop it,
Falling in.Aaah, aaah.
Aaah, aaah.
Aaah, aaah.
Aaah, aaah.Aaah, aaah.
Aaah, aaah.
