Jamie

Broadcaster

Jamie, what you doing now?
What you doing now, girl?
Please, please tell me
'Cause I need to know, I need to know now
When I was down, came to me
And promised, you'd always be
By my side, now you're gone
And I'm waiting patiently
Jamie, I want you to know
Jamie, oh Jamie
I'm so glad you're mine
(So glad you're mine)
We'll be together a long time
(Ooh)
Jamie, what you doin' now?
Who's dialing your car phone?
So please, please be true
You know that I trust you, do that which you must do
When I was down, came to me
And promised, you'd always be
By my side, now you're gone
And I'm waiting patiently
Jamie, I want you to know
Jamie, oh Jamie
I'm so glad you're mine
(So glad you're mine)
We'll be together a long time
You've got, the beach boys
(Ooh)
And your firms got the stones
(They've got the stones)
But I know, you won't leave me alone
Sometimes it seems, you're not with me
It hurts me so much, it hurts me so much
Sometimes it seems, you're not with me
It hurts me so much, it hurts me so much
You are the most, you're so rad
You're so fresh and I'm so glad
I am yours, you are mine

Show me where and I will sign
When I was down, came to me
And promised, you'd always be
By my side, now you're gone
And I'm waiting, waiting
Jamie, oh Jamie
I'm so glad you're mine
We'll be together a long time
Jamie, believe me
I won't let you down
'Cause you are the best lawyer in town
Sometimes it seems, you're not with me
It hurts me so much, it hurts me so much
Sometimes it seems, you're not with me
It hurts me so much, it hurts me so much
It hurts me so much, it hurts me so much
(Ooh)
