Flirting With Time (Album Version)

Tom Petty

A coyote ran across the road
On the move without a home
A flash of light reminded me of youThis could well be your last stand
Hold the sunlight in your hand
Spread your fingers
Feel the sand fall throughI've done all I can do, now it's up to you...You're flirting with time baby
Flirting with time, and maybe
Time, baby, is catching up with youShadow men talk a real good game
Every punch line has your name
You cried out and no one came to youI've done all I can do, now it's up to you...You're flirting with time baby
Flirting with time, and maybe
Time, baby, is catching up with youShould be more to learn from this
Can't say I know what it is
No difference 'tween a hit or miss, it's trueI've done all I can do, now it's up to you...You're flirting with time baby
Flirting with time, and maybe
Time, baby, is catching up with you
