2 Chainz
Bang bang switch lanes like a drive-by
I am so fly man I might as well sky dive
Black girls white lie you know that ain't your damn sister
Every time you on that liquor all you do is damn lick up
Big hurter lil man I'm dogging that
Getting that are you getting that like a of head rollers
Gonna rip like that I like mine ms. specific
That's boutique with a big person and some tattoos and a hairdo
I'm a whip til my wrist hurt
I'm a get it to the dessert
Eat her up like dessert
I heard you been a bad bitch

Girl you know it you sexy love how you show it
Yeah you're bad explosive
Go tell them bloggers that they can quote me
You got that bomb bomb

Girl you know you t-turn me on really
You go hum hum in them cameras on

Please correct me girl if I'm wrong
Easy your booty
And how you drop it just makes me wanna beat it up
Slow it down and
Speed it up up
Your body bang
See that bubble butt mixed with whats up in my cup
Makes me want
You in this club club

Be my dirty boy boy let's play naughty ga am-am-ames
Rock paper scissors I'm a give you shivers
Giddy up horsey I'm a show you how I ride it trigger
Oh oh oh daddy I see you want my body
So keep biting your lips while I bang
And how you drop it just makes me wanna beat it up
Slow it down and
Speed it up up
Your body bang
See that double butt mixed with whats up in my cup
Makes me want
You in this club club
Your body bang
Bang bang bang bang
Your body bang

Bang bang bang bang
And how you drop it just makes me wanna beat it up
Slow it down and
Speed it up up
Your body bang
See that bubble butt mixed with whats up in my cup
Makes me want
You in this club club
Your body bang
