

Hey Mr. Brown

Wheatus

Man, I think it's just a little sleazy
You said you was like butter, but you're cheesy
To treat me like I'm spinner bait; you can't wait
Go fish off some other dock

[Chorus:] Hey, Mr. Brown, don't have a cow
Just compensate me!
Hey, Mr. Brown, don't have a cow
Just compensate me!

Hey, Mr. Brown, don't have a cow
Just compensate me!
You're gonna have to prove it to me

If I don't call you back, your head spins
If I told you what I think, you'd shit your linens
It's just another interview, nothing new
But they don't even know my name
[Chorus]
