

Cock Rock

Diesel Boy

the beast 'cause faster pussycat rocks and so does Judas Priest I love the =
spandex that they wear I saw dio when he had hair well I know metal is =
dead but I love to bang my head and throw my fists up into the air I =
know Ozzy Osbourne's old but I don't care gimme hairspray by the ton =
enuff z'nuff and l.a. guns anthrax, the scorps, metal church kix, and =
dokken I've seen slayer 20 times because no band is more rockin' =
whatever happened to Great White? or Whitesnake or White Lion? I know =
metal is dead but I love to bang my head and throw my fists up into the =
air I know Dave Mustaine's kinda lame but I don't care gimme glam rock, =
gimme thrash gimme axl, gimme slash I know metals dead but I love to =
bang my head and throw my fists up into the air I know Eddie Van Halen =
is old I know acid washed ain't in vogue and kramer guitars aren't cool
