

# Suffocating

## Room 94

I got bit by a vampire  
That's why I don't sleep at night  
I got hit by a London bus  
That's why I'm dead inside.  
My skin, my bones, we're all the same.  
My evil smile drives you insane.  
My heart still beats like it used to,  
It's just a little bruised and scarred!Coz I've been holding my breath,  
So long I'm suffocating  
And I've been chocking on secrets  
So long I'm sick of waiting  
My eyes so red, lost sight of the end.  
Cos I've been holding my breath,  
So long I'm suffocating.I got lost tryna find myself  
My skateboard, then I fell  
I got hit, trying to walk through hell  
But hells got the naughty girls.  
My head still sounds so fucking bad  
My head spins round and round  
My heart, still beats like it used to  
It's just a little bruised and scarredNa na na na na na na na na na x2
