Let Yourself Go

Stacey Kent

As you listen to the band don't you get a bubble?
As you listen to them play don't you get a glow?
If you step out on the floor, you'll forget your trouble
If you go into your dance, you'll forget your woeSo come, get together
Let the dance floor feel your leather
Step as lightly as a feather
Let yourself goCome, hit the timber
Loosen up and start to limber
Can't you hear that hot marimba?
Let yourself goLet yourself go, relax
And let yourself go, relax
You've got yourself tied up in a knot
The night is cold but the music's hot
