

Bad Bitches (feat. Ester Dean)

Cassie

A bad bitch like dope, she gets all the dough,
A bad bitch like coke, she gets all the notes
A bad bitch low key, she hits all the notes
She have you singing in a key that you never heard before.
Cause the bad bitch get it, make a nigger spend it,
That's the only way he hit it, this ain't love, this is business.
I ain't try to be your Mrs, I ain't looking for no love,
Want that 50s, 10s and 20s? Yep, all of the above. My mama told me "make that nigger spending"
That's the only way you get it, these 50s, 10s and 20s. Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor.
Where the bad bitches at, where the bad girls go?
Where the bad bitches at, where the bad girls go? Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor. Bad bitch like me will have a nigger dreaming
Bad bitch like me will have a nigger hoping
And wishing that he come back for more,
Fuck him like she did before
And leave him with a twenty on the side
Yeah, she's super cold. Cause the bad bitch get it, make a nigger spend it,
That's the only way he hit it, this ain't love, this is business.
I ain't try to be your Mrs, I ain't looking for no love,
Want that 50s, 10s and 20s? Yep, all of the above.
My mama told me "make that nigger spending"
That's the only way you get it, these 50s, 10s and 20s. Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor. Where the bad bitches at, where the bad girls go?
Where the bad bitches at, where the bad girls go? Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor,
Bad bitches to the floor, bad bitches to the floor. Where the bad bitches at, where the bad girls go?
Where the bad bitches at, where the bad girls go?
