

One Shot (Sin Morera Fierce Mix)

[Mario Vazquez](#)

If I were a builder, then you'd have a castle,
To ride on the highest mountain, and
If I were a billionaire I'd give you every material thing
But unfortunately all I have to give to you is an imperfect heart,
But its a heart that beats only for you[Chorus]
Listen to this, girl if you give me one shot
I will love you forever now
No one will do you better now
Love is a risk but if you give me one shot,
I will show you you're the only girl in the world who can give me this feeling
Baby that's how I feel about you
(You're one in a million)
I rather die than live without you
We can't miss so if you give me one shot
We can do it girl (do it girl)I'm talking about love in the morning
Just like you want it
Anything you need you can call me for itNow girl I'm only human, I'm full of many faults
I'm guaranteed to fall short
But you'll never hear about me cheating 'cause I never would betray your trust no matter what
I will look to you and only you for love
I treat your soul like it was mine
What a privilege to me to be breathe you're air
Doesn't that say that I care[Chorus]I'm talking about all my heart
All my soul always say never goBut unfortunately all I have to give to you is an imperfect heart,
But its a heart that beats only for you[Chorus]I'm talking everyday, every night
The rest of you're days, the rest of you're life[Chorus]
