Liar Liar

The Castaways

Liar, liar, pants on fire
Your nose is longer than a telephone wireAsk me, baby, why I'm sad
You've been out all night, know you've been bad
Don't tell me different, know it's a lie
Come kill me, honey, see how I cryWhy must you hurt me, do what you do
Listen here, girl, can't you see I love you
Make a little effort, try to be true
I'll be happy, not so blueChorusIf you keep on tellin' me those lies
Still goin' out with other guys
There'll come a day I'll be gone
Take my advice, won't be longWhen that day comes, won't be mad
Be free of you, but I'll still be sad
In spite of your cheatin', still love you so
I'll be unhappy if I let you go
