

# What Are You Waiting For

Lindsay Lohan

Sometimes I get that overwhelming feeling  
So sad, the faces on TV  
If I tried to make a difference would it help anyway?  
But then I stop and to myself I say  
So you wanna change the world? What are you waiting for?  
Say you're gonna start right now, what are you waiting for?  
It only takes one voice, so come on now and shout it out  
Give a little more, what are you waiting for?  
Sometimes, I feel a little helpless  
Seems like I can't do a thing  
But anything is possible, just you wait and see  
Good things happen, if you just believe  
So you wanna change the world? What are you waiting for?  
Say you're gonna start right now, what are you waiting for?  
It only takes one voice, so come on now and shout it out  
Give a little more, what are you waiting for?  
Someday, somehow I'm gonna take that step  
'Cause time is tickin' away  
Right here, right now before it's too late  
I'm gonna face tomorrow today  
Don't wait  
Yeah  
Yeah, yeah, yeah  
So you wanna change the world? What are you waiting for?  
Say you're gonna start right now, what are you waiting for?  
It only takes one voice, so come on now and shout it out  
Give a little more, what are you waiting for?  
So you wanna change the world? What are you waiting for?  
Say you're gonna start right now, what are you waiting for?  
It only takes one voice, so come on now and shout it out  
Give a little more, what are you waiting for?
