

# The Gospel According To Tony Day

David Bowie

The gospel according to tony day  
The gospel according to tony day  
The gospel according to tony day  
If I find a girl he'll take her away  
Rotten tony!  
The gospel according to brendan o'lear  
The gospel according to brendan o'lear  
The gospel according to brendan o'lear  
If I buy him a scotch, he'll buy me a beer  
Tight fist, friends  
The gospel according to pat hewitt  
The gospel according to pat hewitt  
The gospel according to pat hewitt  
If it's written on a sweater then I'd better not, you do it  
Ah  
Got to, got to  
Your mind, blow i  
Blow it  
The gospel according to marianne brent  
The gospel according to marianne brent  
The gospel according to marianne brent  
She'll be mine if I pay the rent  
Good old marianne, who needs friends, oh  
Waste of flippin' time, take a look at my life and you'll see  
Take a quick, butchers, rotten Harry down the hall,  
Wouldn't give me tuppence for him.
