

# Honeymoon

## The Muffs

Anytime, anyplace  
Yeah, it's nice to see your face  
And it's true that I still want you  
In the most obnoxious way Honeymoon  
Honeymoon  
Honeymoon  
Yeah And I know what I feel  
It'll do I do believe  
And I know that it's your power  
That'll be the end of me Honeymoon  
Honeymoon  
Honeymoon  
Yeah Going 'round and 'round the bend  
I fear the end of me  
Feeling like a twisted clown  
I guess I'll wait and see Honeymoon  
Honeymoon  
Honeymoon  
Yeah
