

# Johnny's Dead AKA Vincent Mason

## De La Soul

Oh Johnny, you got a bullet in your forehead, boy  
Don't you understand, you're dead?  
Buried six feet under the concrete Ooh aww oh  
That's the noise he made when he got shot  
But Johnny's still dead, still dead Thought about his mama  
Thought about his father Josephine  
But nobody could help the boy  
When he hit the concrete "Ooh aww oh"  
The last words said by Johnny  
But now he's six feet under and he's dead
