

Make Me Wanna Sing

Tank

This is what it's like every time
Every time she calls me she sings
She sings this little melody to, you know
Let me know how she feels
Here's what she tells me
Lovin' you
It's like a dream to me, I thought you knew
Lovin' you
It's like a fantasy I hope come true
Lovin' you
'Cause it's the only thing I wanna do
Lovin' you
It's like this melody, I wanna sing to you
She said
Oh yeah
Make me wanna sing
Check this out, you know I sang
Lovin' you
I never thought would take over me
Lovin' you
I shed a light on life I could never see, yeah
Lovin' you
I swear I always will, I'll always be
Lovin' you
No matter what it brings I'll always sing
Make me wanna sing, yeah
Oh yeah
Lovin' you
Has been the very best part of my life
Lovin' you
Is 'bout the only thing that turned out right, oh
Lovin' you
For the rest of my life I think I might
Lovin' you
It feels so good, I wanna start tonight
She make me wanna sing
All I can think about is lovin' you
Think about is lovin' you
I wanna do is lovin' you

Oh no, oh yeah
All I think about is lovin' you
Think about is lovin' you
Wanna do is lovin' you
Yeah, oh, sparkle, just break it down
If you got somebody out there you love
Or you love him right now
Just sing this little melody to him
It goes, it goes
