Take Me for a Ride

Holy Oysters

If you want to go away from your shell,
To free yourself finally get out of your cell
You said there's a place where you used to hide,
Where no one ever asks what you got on your mindYou said it's a place where the trees grow so high
That if you reach the top you can tickle the sky
There's a silver river that never ever runs dry
Where if you take a swim you will learn how to flySo would you take me for a ride ? Take me by your side, take me with you
Take me for a ride, take me by your side, take me with you
Take me for a ride, take me by your side take me with you
Take me for a ride, take me by your side, take me with youIs this real ? It kinda looks like a dream
It's even better than I could have imagined
I wanna fly high and try to tickle the sky
But wait a minute, how did we get so high ?Well I don't care much as long as I see your face
And remember the day when I embraced the space
When you did take me for a ride, take me by your side, take me with you
Take me for a ride, take me by your side, take me with you
Take me for a ride, take me by your side, take me with you
Take me for a ride, take me by your side, take me with youYeah I want you to know that (oh, oh, oh)
I'd really want to go (oh, oh, oh)
If you want me to go (oh, oh, oh)
I'd really want to go (oh, oh, oh)
So would you take me for a ride ?Some day I'd really want to go out
Yeah, when the air I breathe will get me full of doubt
So would you take me where we used to hide
Then nobody will ask what I got on my mindSo would you (x3)Take me for a ride, take me by your side, take me with you
Take me for a ride, take me by your side, take me with you
Take me for a ride, take me by your side, take me with you
Take me for a ride, take me by your side, take me with youYeah I want you to know that (oh, oh, oh)
I'd really want to go (oh, oh, oh)
If you want me to go (oh, oh, oh)
I'd really want to go (oh, oh, oh)
So would you take me for a ride ?
