# Take That

## DC Breaks

Take that (x3)
Anybody who thinks i cant do it anymore better step right back and take that
Take that
I got the formula
I got the formula (x2)
Take that
i got the formula
and ill rain on all o' ya
take that
Anybody who thinks i cant do it anymore better step right back and take that
take that
Take that
i got the formula
and ill rain on all o' ya
so take that
and im ballin but i dont rub it in your face, furthermore
i was in a bedford night club
mans all member of the crew, take that
Anybody who thinks i cant do it anymore better step right back and take that
i got the formula (x2)
ill rain on all o' ya (x2)
dont rub it in your face further more
take that
wen number 1
wiv numba 1
yeah that my brother, take that
i was in the chart with avenue and shake a leg roll deep
take that
phone the ..... chew fu chew fu phoned right back i said
take that

Anybody who thinks i cant do it anymore better step right back and take that
i got the formula
take that
i got the formula
take that
i got the formula
and ill rain on all o' ya
so take that

and im ballin but i dont rub it in your face, furthermore
take that
i was in a bedford night club
mans all member of the crew, take that
Anybody who thinks i cant do it anymore better step right back and take that
better step right back, right back, better step right back and take that
take that..... that that that take take take that that that
take that
i got the formula
and ill rain on all o' ya
so take that
and im ballin but i dont rub it in your face, furthermore
i was in a bedford night club
mans all member of the crew, take that
Anybody who thinks i cant do it anymore better step right back and take that
wen number 1
wiv numba 1
yeah that my brother, take that
i was in the chart with avenue and shake a leg roll deep
take that
phone the ..... chew fu chew fu phoned right back i said
take that
Anybody who thinks i cant do it anymore better step right back and take that
