I'll Be There for You

Primal Scream

You will never be a stranger
I will always be your friend
Be you devil, be you angel
I will love you till the endI'll be your shelter
I'll be your shelter
In times of storm
(In times of storm)
I'll keep you warmI'll be there for you
I'll be there for you
I'll be there for you
I'll be there for youIf your head is strange and messy
If your spirit's cold and dark
If you're feelin' like an outlaw
If you're burnin' out your starI'll be your shelter
I'll be your shelter
In times of storm
(In times of storm)
I'll keep you warmI'll be there for you
I'll be there for you
I'll be there for you
I'll be there for youI'll be your shelter
I'll be your shelter
In times of storm
(Just for you)
I'll keep you warmI'll be there for you
I'll be there for you
I'll be there for you
I'll be there for youI'll be there for you
I'll be there for you
I'll, I'll be there for you
I'll be there for youI'll be there for you
I'll be there for you
I'll be there for you
I'll be there for you
