

# Spinning Around

## Test Your Reflex

Spinning around  
Spinning around  
Ohh I'm spinning around, move out of my way  
I know you're feelin' me 'cause you like it like this  
I'm breakin' it down, I'm not the same  
I know you're feelin' me 'cause you like it like this Traded in my sorrows for some joy that I borrowed  
From back in the day  
Threw away my old clothes, got myself a better wardrobe  
I got something to say I'm through with the past, ain't no point in looking back  
The future will be  
And did I forget to mention that I found a new direction  
And it leads back to me? I'm spinning around, move out of my way  
I know you're feelin' me 'cause you like it like this  
I'm breakin' it down, I'm not the same  
I know you're feelin' me 'cause you like it The mistakes I've made, have given me the strength  
To really believe  
And no matter how I take it, there's no way I'm gonna fake it  
'Cuz it's gotta be real I've got nothin' left to hide, no reason left to fight  
'Cuz the truth's given me  
A new freedom inside, gettin' rid of my desire  
Do you like what you see? I'm spinning around, move out of my way  
I know you're feelin' me 'cause you like it like this  
I'm breakin' it down, I'm not the same  
I know you're feelin' me 'cause you like it like this Baby, baby, baby  
You know you like it like this  
Oh, baby, baby, baby  
You know you like it like this  
Oh, baby, baby, baby I'm spinning around, move out of my way  
I know you're feelin' me 'cause you like it like this  
I'm breakin' it down, I'm not the same  
I know you're feelin' me 'cause you like it like this Feelin' me 'cause you like it like this, oh, I'm not the same  
I know you like it like this, oh, ooh yeah  
Like it like this, like it like this, I'm not the same  
Like it like this, I'm not the same, oh
