### Verse 1

Why can't I get you off my mind,  
glimpsing your body on rewind,  
if I come over would it be right  
no I ain't sober, drunk and so high  
off your love, your love, your love  
is that alright...

### Chorus

Cause you don't know,  
how hard I go, I'ma fiend for,  
I just want more,  
This is how I feel - x4

### Verse 2

I'ma take time, can we get lost  
look how you shine, I bet you cost,  
and I can't afford, all of you....

### Chorus

Cause you don't know,  
how hard I go, I'ma fiend for,  
I just want more,  
This is how I feel - x4

### Bridge

You're right next to mine,  
beauty so divine,  
I'll stay in for life, life,  
talk to me, tell me were  
starting to feel it,  
that feeling again,  
Oooooooo,  
I feel you now....
