

Honeybee

Bif Naked

There's been a murder
In my kitchen
I hit him hard
I hit him fast
I watched him die And for the life of me
I'm still missing
A good excuse
Explanation
A reason why Don't you cry for me
In the penitentiary
I did the crime
I'll do my time And I'll be here
For another 40 years
Haunted by the buzz
Stupid honeybee Although it hurt me
I still know better
I'm a killer
It's a fact
I can't deny And when the deputy
Came a-looking
He took me down
I did confess
I did not lie Don't you cry for me
In the penitentiary
I did the crime
I'll do my time And I'll be here
For another 40 years
Haunted by the buzz
Stupid honeybee Oh honeybee
Have mercy on me
On my knees I beg Honeybee
You're torturing me
This must be that honeybee's revenge Let's go! Don't you cry for me
In the penitentiary
I did the crime
I'll do my time And I'll be here
For another 40 years
Haunted by the buzz
Stupid honeybee
