

I Know Why

Sheryl Crow

They say love keeps on growing
It's the one thing that I've felt I've always known
'Cause it wouldn't matter where you're going
'Cause where you are is where I wanna go And I know why the heart gets lonely
Every time you give your love away
And if you think that you are only A shadow in the wind
Rolling 'round but when
You go and let somebody in
They might fade away Tell me why the road keeps turning
When everything you want is straight ahead?
And everything I thought worth learning
Is forgotten when I see your face instead I know why the heart gets lonely
Every time you give your love away
And if you think that you are only A shadow in the wind
Rolling 'round but when
You go and let somebody in
They might fade away All you say is so overrated
Holding on to yesterday
Along the way it can get
Too complicated to stay I know why the heart gets lonely
Every time you give your love away
If you think that you are only
A shadow in the wind, you better think again I know why the heart gets lonely
Every time you give your love away
And if you think that you are only Flowers in the wind
Blowin' round the wind
You let somebody in
They might fade away, fade away
