I Know Why

Sheryl Crow

They say love keeps on growing

It's the one thing that I've felt I've always known

'Cause it wouldn't matter where you're going

'Cause where you are is where I wanna goAnd I know why the heart gets lonely

Every time you give your love away

And if you think that you are only A shadow in the wind

Rolling 'round but when

You go and let somebody in

They might fade awayTell me why the road keeps turning

When everything you want is straight ahead?

And everything I thought worth learning

Is forgotten when I see your face insteadI know why the heart gets lonely

Every time you give your love away

And if you think that you are only A shadow in the wind

Rolling 'round but when

You go and let somebody in

They might fade awayAll you say is so overrated

Holding on to yesterday

Along the way it can get

Too complicated to stayI know why the heart gets lonely

Every time you give your love away

If you think that you are only

A shadow in the wind, you better think againI know why the heart gets lonely

Every time you give your love away

And if you think that you are onlyFlowers in the wind

Blowin' round the wind

You let somebody in

They might fade away, fade away
