

# Lilly

## Moby

Lilly comes when you stop to call her  
Lilly runs when you look away  
Lilly leaves kisses on your collar  
Lilly, Lilly, Lilly, Lilly, stay!

Lilly comes when you stop to call her  
Lilly runs when you look away  
Lilly leaves kisses on your collar  
Lilly, Lilly, Lilly, Lilly, stay!

One day she passed him by  
A twinkle in her eye

He said " she was meant for me!"

But when he turned around  
He lost what he had found  
Oh where can his Lilly be?

Lilly comes when you stop to call her  
Lilly runs when you look away  
Lilly leaves kisses on your collar  
Lilly, Lilly, Lilly, Lilly, stay!  
He searched the city streets

He tempted her with treats  
But nobody stopped to taste them  
Some are in his pocket  
Some are in a locket  
He couldn't bring himself to waste them

Ever since she's gone  
Some days he can't go on  
She runned for another  
Pressed up against the glass  
He prays that she will pass  
Now he's living with his mother

Lilly comes when you stop to call her  
Lilly runs when you look away  
Lilly leaves kisses on your collar  
Lilly, Lilly, Lilly, Lilly, stay!

Lilly comes when you stop to call her  
Lilly runs when you look away  
Lilly leaves kisses on your collar  
Lilly, Lilly, Lilly, Lilly, stay!

Stay, stay, stay, stay
