One Hello

Gary Valenciano

If you're not afraid
Of what love brings
Then endings are beginnings
Of beautiful thingsIts a chance you'll take
It's a chance you'll win
If someone's gonna find you
First you gotta let them in'Cause love begins with one hello
The hardest part is over
Now its easy letting go
One hello is how it starts
You might win it all or lose your heartIf you're not afraid of what you feel
Then try and keep it simple
Or try and keep it real
And if being real means
Means you'll someday will say goodbyeRemember, my friend
Goodbyes not the end
Its a circle you know
And it starts with one helloLove begins with one hello
The hardest part is over
Now it's easy letting go
One hello is how it startsRemember, my friend
Goodbyes not the end
Its a circle you know
And it starts with one hello
It starts with one hello
