

The Mystery Of You

Spencer Day

I woke up today to find that I'm a victim of a crime
The perpetrator left without a trace.
I assess the situation, conduct my own investigation.
the heat is on and so begins the chase.
I have my heart under lock and key
But somehow you infiltrated me
And I won't rest until you're doin' time with me
So turn yourself in, you'll never win
I'm gathering the evidence
I'm searching for the clues
Now I am on the case, and you can't escape
Slowly I'm uncovering, the mystery of you. On the dark secluded street your eyes met mine.
I felt the heat.
You took me to a secret rendezvous.
The last thing that I can recall you pressed me up against the wall and kissed me and there was nothing I could
do.
I have my heart under lock and key
But somehow you infiltrated me
And I won't rest until you're doin' time with me
So turn yourself in, you'll never win
I'm gathering the evidence
I'm searching for a clue
Now I am on the case, and you can't escape
Slowly I'm uncovering, the mystery of you.
