

# The River

## Saint Raymond

Freeinâ€™ up time just to waste it  
Breakinâ€™ the tides and Iâ€™m making  
Open the skies as I wake up  
Saying goodbye as I wake up  
Surfing the wave with my eyes closed  
Holding my breath is a no-go  
Open the skies as I wake up  
Saying goodbye as I wake up  
Whhhhhyyyyy, why are you waiting?  
Itâ€™s fate I was tempting  
Donâ€™t look back  
So bloooooowww, blow it away now  
The winds have calmed down  
Donâ€™t look back  
Throw me down to the river  
Hold my arm and I will lead ya  
Where we know, we canâ€™t be found  
Throw me down to the river  
Hold my arm and I will lead ya  
To a life where weâ€™ll stay young  
Where weâ€™ll stay-  
Pullinâ€™ apart all the answers  
Question me now and Iâ€™ll answer  
Donâ€™t be afraid of the wa-ter.  
Just think of all that Iâ€™ve taught ya  
Youâ€™re hoping Iâ€™ll be the savior  
Carry me home when I need ya  
Donâ€™t be afraid of the wa-ter.  
Just think of all that Iâ€™ve taught ya  
Whhhhhyyyyy, why are you waiting?  
Itâ€™s fate I was tempting  
Donâ€™t look back  
Throw me down to the river  
Hold my arm and I will lead ya  
Where we know, we canâ€™t be found  
Throw me down to the river  
Hold my arm and I will lead ya  
To a life where weâ€™ll stay young  
Where weâ€™ll stay young X 8

Oooooo ooo ooo ooo oooooooooo ooo ooooooooo

Throw me down to the river  
Hold my arm and I will lead ya  
Where we know, we canâ€™t be found  
Throw me down to the river  
Hold my arm and I will lead ya  
To a life where weâ€™ll stay young  
Where weâ€™ll stay-
